Accessibility Statement

Ambra's s.r.l. is committed to making the **Ambra's** website accessible, in accordance with digital accessibility principles and applicable legislation, including **D.lgs. 10 agosto 2018, n. 106** (transposition of EU Directive 2016/2102) and the **European Accessibility Act (EAA)**.

The objective is to make the website and digital services accessible to the widest possible audience, including people with disabilities.

This accessibility statement applies to the following website:

<https://www.ambras.it/en/>

General Information

- **Ambra's** website allows users to:
 - consult information about services/products offered;
 - access informational content and updates;
 - use interactive features (e.g. contact forms, restricted areas, online services).
- **Scope of the declaration:** website
- **Technical specifications used as reference:** [WCAG 2.1](#), [EN 301 549](#)

Section 1: Compliance status assessment

Content in compliance with [Decisione di esecuzione UE 2018/1523](#)

- **Compliance status:** Partially compliant
This means that some parts of the content do not fully meet accessibility requirements.
The company is committed to progressively resolving the identified non-conformities.
- **Non-compliance with [legge 4/2004](#):** Yes

- **Measures adopted for accessibility:**

To ensure the accessibility of the service, the following measures have been implemented:

- proper semantic structure of the pages
- keyboard navigation
- use of alternative text for images
- sufficient color contrast
- compatibility with major assistive technologies
- clear and understandable content

- **Non-compliant sections, content, and features:**

1.3.1: Info and Relationships

1.3.5: Identify Input Purpose

1.4.11: Non-text Contrast

2.4.7: Focus Visible

As of today, the company is aware of its non-conformities and has engaged with Yamme S.r.l. for a more in-depth audit.
